

Summary of VDOE Employment Report (2020 – 2021)

Hiring patterns (I) – The Virginia Department of Education provides EPPs with an annual report of completers hired by public P-12 schools. The report is delivered in July and reflects the employment records for the recently completed P-12 academic year. The VDOE Employment Report identifies students who received licensure and/or endorsement with the completion of all UMW-COE approved coursework including student teaching. With the exception of ESL initial licensure recipients, students who did not complete student teaching with UMW are not identified in the VDOE report. The following tables show the hiring patterns for the 5 Year Pathway (5YP) Initial Licensure Program completers and the Post-baccalaureate (PB) Initial Licensure Program completers:
